Vol. 149

WASHINGTON, FRIDAY, JULY 11, 2003

No. 102

House of Representatives

The House was not in session today. Its next meeting will be held on Monday, July 14, 2003, at 10:30 a.m.

Senate

FRIDAY, JULY 11, 2003

The Senate met at 9:15 a.m. and was called to order by the President pro tempore (Mr. STEVENS).

PRAYER

The Chaplain, ADM Barry C. Black, offered the following prayer:

Eternal God, before the mountains were brought forth and the Earth was formed, even from everlasting to everlasting, You are God.

Thank You, Lord, for all that crowns life with beauty and blessedness, for books and music that inspire us, for family and friends who sustain us.

May we remember how fragile and temporary are our lives.

Teach us to number our days and to find our peace and stability in You.

Help us never to surrender to our worst, making it difficult for others to live at their best.

Use us, Lord, to build a more decent and humane world.

In Your strong name we pray. Amen.

PLEDGE OF ALLEGIANCE

The PRESIDENT pro tempore led the Pledge of Allegiance, as follows:

I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all.

RESERVATION OF LEADER TIME

The PRESIDING OFFICER (Mr. CHAMBLISS). Under the previous order, the leadership time is reserved.

LEGISLATIVE BRANCH APPROPRIATIONS, FISCAL YEAR 2004

The PRESIDING OFFICER. Under the previous order, the Senate will resume consideration of H.R. 2657, which the clerk will report.

The legislative clerk read as follows:

A bill (H.R. 2657) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2004, and for other purposes.

Pending:

Sessions amendment No. 1202, to eliminate the additional amount for programs under the National and Community Service Act of 1990.

The PRESIDING OFFICER. Under the previous order, there are now 15 minutes equally divided in the usual form on the Sessions amendment.

SCHEDULE

Mr. SESSIONS. Mr. President, on behalf of the leader, I note that in a few minutes the Senate will begin a series of three rollcall votes. With the completion of these three votes, the Senate will have passed two appropriations bills. The first of these votes will be on the Sessions AmeriCorps amendment. Following that vote, the Senate will vote on passage of H.R. 2657, the legislative branch appropriations bill, which will immediately be followed by a vote on passage of H.R. 2559, the military construction appropriations bill. The second and third votes in this series will be 10-minute votes. Therefore, Senators are encouraged to remain in the Chamber until all three votes have been completed. The majority leader will have more to say on the schedule following these votes.

The PRESIDING OFFICER. The Senator from Alaska.

Mr. STEVENS. Mr. President, there are 15 minutes on the motion of the Senator from Alabama to strike. He will have 7½ minutes, and the other 7½ minutes will be under my control.

First, I would like to see if the distinguished Democratic whip would like to make some comments. I do have a motion to make.

Mr. REID. I am here for the motion by the Senator.

FURTHER MODIFICATION TO AMENDMENT NO. 1201

AMENDMENT NO. 1206, AS MODIFIED

Mr. STEVENS. I ask unanimous consent that the modification I send to the desk to amendment No. 1201, offered by Senator REID and myself and Senator FEINSTEIN, previously agreed to, be modified pursuant to this amendment, and I ask unanimous consent that the following technical modification to amendment No. 1206, offered by myself and Senator LANDRIEU, be further modified by the language at the desk.

These amendments were modified on the floor, and last evening we discovered they had to be perfected, so I ask unanimous consent.

The PRESIDING OFFICER. Without objection, it is so ordered.

The further modification to amendment No. 1201 is as follows:

On page 53, line 19, strike "\$36,000,000" and insert "\$61,000,000".

On page 53, line 20, insert before the colon the following:

"of which \$25,000,000 shall be available for emergency actions to reduce the threat to human safety in areas declared under a State of Emergency by the Governor of any State due to the danger of catastrophic fire from

dead and dying trees, including—(1) clearing of evacuation routes, (2) clearing around emergency shelter locations, (3) clearing around emergency communication sites, and (4) clearing buffer zones around highly populous communities in order to prevent fire sweeping through such communities.”

Amendment No. 1206, as modified, is as follows:

(Purpose: Making emergency appropriations to the Corps of Engineers for emergency assistance)

At the appropriate place, insert the following: *Provided further*, That for an additional amount for “Corps of Engineer—Civil, Flood Control and Coastal Emergencies,” for emergency expenses due to flood control, hurricane, and shore protection activities, as authorized by section 5 of the Flood Control Act of August 16, 1941, as amended (33 U.S.C. 701n), \$10,000,000, to remain available until expended.”

Mr. STEVENS. The Senator has 7½ minutes.

Mr. SESSIONS. Mr. President, I ask unanimous consent that Senator CORNYN of Texas be added as a cosponsor of this amendment.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. SESSIONS. Mr. President, this amendment would strike the \$100 million for AmeriCorps that is contained in the emergency supplemental portion of this bill. The President did not request these funds. The administration does not support this appropriation as part of an emergency supplemental. These funds are not offset. In fact, every single penny that will be spent of this \$100 million will go directly to the debt of the American people. It will increase the debt entirely, because we are in a deficit situation and emergency spending by definition is above our budget, and even our budget takes us into debt.

This is not an emergency. It is just one more typical bureaucratic failure in a governmental program that caused them to run short, and now they want the taxpayers to run up the debt to pay for the shortfall. I think it is just not the right thing to do.

It is suggested that we have to have this money now. But if you read the language in the legislation, it says the funds are to remain available until September 30, 2004. That means this could come up in the regular appropriations bill for VA-HUD, and they could put it within the budget and fund it through next year, fiscal year 2004. That is really what should occur, if they want to spend extra money to bail out the mismanagement of the AmeriCorps program which all Senators—even those who support this bill—are critical of and are trying to do something about.

In addition, it says the educational awards will remain available until expended. That means they could be spent over a period of years.

Why are we bringing it forward on this emergency supplemental bill? It is because it does not count against the budget allocation the appropriations subcommittee has for all of the programs within their venue.

If they have to come up with extra money for appropriations under the current law and under the budget, that means they may have to be tight across the board and find the money somewhere else, or maybe they will have to reduce what AmeriCorps would like to have.

Those are tough decisions. But that is what we get paid to do every day around here. By allowing them to tack this on top of the bill and add directly to the debt of the American people relieves the pressure that was caused by the mismanagement under these circumstances.

I note the chairman of the House VA-HUD Committee—a Peace Corps volunteer himself, and a strong supporter of the AmeriCorps program, Congressman JIM WALSH of New York—is very strongly opposed to this even though he supported AmeriCorps from the beginning. He issued a news release and full statement dealing with this issue. He makes a number of very important points—from a man who really cares about this program and doing the right thing.

For example, he said:

My opposition to the Senate’s supplemental AmeriCorps appropriations proposal comes down to an issue of accountability. We shouldn’t reward an agency that violates Federal law and mismanages taxpayer dollars by providing additional funding until clear and consistent reforms have been enacted. Should these requested funds be appropriated, I have little faith that the existing operation could get the funding out of Washington to local community grantees effectively or equitably by the end of fiscal year on September 30.

He goes on to make other points.

I urge my colleagues to read this news release before they commit on how they intend to vote. The emergency bill has disaster relief, space shuttle, wildfires, and AmeriCorps. I would add that Citizens Against Government Waste has written in opposition to this legislation. They urge it to be defeated. I note they intend to score this legislation, as do other groups that care about mismanagement, including Citizens Against Government Waste, the National Taxpayers Union, Americans for Tax Reform, and others.

It is an important vote. We ought not to go around the budget we passed—and I served as a member of the committee—and tack on \$100 million for a bureaucratic snafu and running that \$100 million directly against the debt of the American people in violation of the Budget Act.

I yield the floor and reserve my remaining time.

The PRESIDING OFFICER. The Senator from Alaska controls 7½ minutes.

Mr. STEVENS. Mr. President, I yield 3 minutes to the Senator from Maryland, and 4 minutes to the Senator from Missouri.

The PRESIDING OFFICER. The Senator from Maryland is recognized for 3 minutes.

Ms. MIKULSKI. I thank the Senator.

I rise in vigorous opposition to the Sessions amendment and urge my colleagues to vote against it.

I offered the amendment in the Appropriations Committee to add \$100 million for AmeriCorps in this urgent supplemental. It has strong bipartisan support. Senators STEVENS, BYRD, BOND, and many others support my amendment. But it is not about supporting my amendment. It is about supporting AmeriCorps at this very troubled time.

If we do not do this \$100 million, there will be a cut of over 15,000 AmeriCorps volunteers right this minute. These cuts are being announced today.

How did this happen? There was a bureaucratic boondoggle. There was a bureaucratic snafu. They overenrolled 20,000 volunteers. Every year, the VA-HUD subcommittee funds 50,000 volunteers. But they overenrolled with 70,000. How did we know about it? Senator BOND chaired the subcommittee leading the fight for reform in fiscal responsibility, and uncovered it at the April 15 hearing. The House put out a press release. We put out performance. We found the mistake.

We worked on a bipartisan basis to correct the accounting. I called for new leadership. But that is not a substitute for the need for new funds.

This is an emergency today. Who are we going to punish, if we don’t do the money? Not the bureaucracy, not the boondogglers, but the volunteers in our communities.

There is a question about why now. The law says funding for volunteers and the awards that help them pay off their student debt must be in the Federal checkbook when the volunteers begin their service. For many of them, they are going to begin their service now because they are going to be in school-based programs. Teach America, for example—which we all love—if this is not in there, 1,000 Teach America kids will not be in classrooms; and Jump Start, which works with Head Start and organizes and leverages other volunteers. When we look at what we are doing here, we need to know that if AmeriCorps does not get this funding now they will not be able to sign up volunteers right this minute for these programs.

This is to get AmeriCorps over the troubled waters. The President has announced a new CEO. Senator BOND has led the effort for a new chief financial officer. He has been the leader of the reform effort, and has had my utmost support.

We can’t wait until next year. If we do, we are going to squander volunteer opportunities. The President has called for a new spirit of voluntarism. Young people have responded. We need to respond to the call to meet our responsibility and not punish these communities.

I yield the floor.

The PRESIDING OFFICER. Does the Senator from Alabama yield time?

Mr. SESSIONS. I yield such time as is remaining to the Senator from Oklahoma.

The PRESIDING OFFICER. The Senator from Oklahoma is recognized.

Mr. NICKLES. Mr. President, I compliment my colleague from Alabama for raising an important issue. I hope our colleagues will vote in favor of his amendment for a lot of different reasons.

First, this shouldn't be in the urgent supplemental. There is nothing emergency about it. Frankly, we gave AmeriCorps \$64 million just last April.

Second, it wasn't requested by the administration. You would think if it was urgent it would have been requested. It was not.

Third, when you look at this, it is really funding for 2004. We only have 2½ months left in 2003. The Congressional Budget Office says zero money will be spent in 2003. Not one dime of it will be spent in 2003.

As a matter of fact, if you look at language in the bill, it says \$100 million in funds and grants will remain available until September 30, 2004, and funds for educational awards will remain available until expended. So the net essence of this is we are helping out 2004 appropriations bills. This should be done in 2004.

If we want to have a wrestling match over mismanagement of AmeriCorps—and I don't doubt they have had mismanagement—this is a program that purports to be all volunteer, but we find out it costs \$20,000 per year per volunteer. Actually, I think it has come down to \$18,000 per year per volunteer. Congratulations.

It has been fraught with mismanagement from the get-go, and now we find out we are going to be basically funding a 2004 appropriations bill under the guise of an emergency so it will not be counted for 2003. I am willing to go along with some emergency spending, but I think this is an abuse of the process.

I compliment my colleague from Alabama. I do not think it should be included in the supplemental. I urge my colleagues to support his amendment.

The PRESIDING OFFICER. The Senator from Missouri.

Mr. BOND. Mr. President, I rise in strong support of the provision sponsored by my colleague, Senator MIKULSKI, the chairman, Senator STEVENS, and others in the Appropriations Committee, and I urge that we table the amendment.

This \$100 million is something that is needed now to continue the President's strong commitment to assuring that we have a robust volunteer program in the United States. The President has spoken very eloquently about the need for volunteers, and I think all of us know how important volunteers are in our communities.

AmeriCorps is a means of providing assistance, and we need those funds now. There are some 20,000 slots ready for volunteers. In previous years they have committed to them. They over-committed, no question about it. AmeriCorps has been fraught with mis-

takes and mismanagement, but there have been young people in America who have answered the call to volunteer. There are programs in America waiting for these volunteers. By making these funds available now, we can allow AmeriCorps to commit for the programs that begin with the new school year starting in September and to make sure there is not a hiatus in the programs.

There is no question about the mistakes of AmeriCorps, but we should not punish the young people of this country who want to give something back through community service. The volunteers are ready now, and we should not disappoint them or the communities they serve. This \$100 million is necessary to keep the program moving.

As the Senator from Maryland has so eloquently described, we have spent 8 years on the VA-HUD Appropriations Subcommittee trying to straighten this program out. My colleague from Maryland rightly called the Corporation for National and Community Service to task for the continuing problems. We have demanded the administration take corrective action. They are taking that action. Thanks in large part to Senator MIKULSKI, I think we are getting a response from the Corporation that will fix the problems and restore the accountability. We, I assure you, will continue appropriate oversight. The commitment of my colleague from Maryland to this program is enduring and strong, and we will see that it gets the leadership it needs.

The concerns of the House chairman that were mentioned by my colleague from Alabama are being addressed by requiring the inspector general to audit the AmeriCorps program and defund those programs that have not performed. Further, I have led the congressional efforts of oversight through the GAO and IG audits. That is how we found out about the problems. And we authored the Strengthen AmeriCorps Program Act, which passed Congress in 2 days and was signed by the President last week, to correct the financial accounting problems.

I would not support these funds if I thought there were management problems that were not being corrected. They are. I urge my colleagues to table the amendment.

(At the request for Mr. REID, the following statement was ordered to be printed in the RECORD.)

• Mrs. BOXER. Mr. President, I rise to voice my support for AmeriCorps. The \$100 million added in the Appropriations Committee for AmeriCorps is vital to continuing the hard work that so many young people around the country are doing today. Stripping this funding out of the bill would leave thousands of AmeriCorps members in my State, and throughout the country, out in the cold. And it will leave communities without the contributions and hard work of thousands.

There are nearly 8,000 AmeriCorps volunteers in my State, working in 366

program sites. They are in communities from Anaheim to Westminster, helping children read, restoring our environment, and building homes for the needy. Their contributions to the quality of life in our cities and towns are immeasurable. The additional funding in this bill is desperately needed.

Some of my colleagues have argued that bureaucratic blunders by the Corporation for National and Community Service, the agency that runs AmeriCorps, should not be rewarded by giving the program additional funding. We all know, however, that the work of Senators MIKULSKI and BOND has gone far to correct many of the problems at the corporation. As the accounting reforms continue, AmeriCorps will flourish once again. This \$100 million in this bill is a step in that direction.

I hope my colleagues will follow the lead of the distinguished chair and ranking member of the VA-HUD subcommittee, and vote to table this amendment. •

Mr. KENNEDY. Mr. President, it is a privilege to join my colleagues in this effort to keep this promise of AmeriCorps and to support the amendment to add \$100 million to the supplemental.

It is inspiring to see the good work that volunteers do every day, tutoring, mentoring, providing access to health care, and building stronger communities in so many different ways. Over 200,000 young men and women have dedicated a year of their lives to AmeriCorps and these activities. Their service has helped others in urgent need, expanded community-based organizations, and strengthened whole communities. They have transformed the lives of others, and transformed their own lives, too.

Yet, this successful program faces devastating cuts—not because of problems in the services they provide, but because of financial management problems at the Corporation for National Service. That is unacceptable. When mistakes are made inside the Beltway, people across America should not have to pay for those mistakes.

I hope our proposal will have strong bipartisan support and pass as it did in the Appropriations Committee, so that we can correct this situation before even more young volunteers who are ready, willing, and able to serve are denied the opportunity to serve.

The PRESIDING OFFICER. The Senator from Alaska.

Mr. STEVENS. Mr. President, how much time remains?

The PRESIDING OFFICER. The Senator from Alaska has 1 minute 15 seconds.

Mr. STEVENS. Mr. President, I regret deeply the necessity to move to table the motion of the Senator from Alabama. There has been a serious mistake in this program, and these young people were notified they would be enrolled in August and September.

The statements made on both sides are absolutely correct. Both sides have

a point; that is, this should not have happened. But it did happen, and we felt compelled to keep the commitment to those people who were told they would be enrolled and to put up the money so they will be enrolled for the school year that starts in September.

I do hope the Senate understands we will do everything possible to prevent this from happening again. I commend the Senator from Maryland and the Senator from Missouri for their diligence in finding out what happened and for bringing this to our attention, but there is no other way than to keep the commitment we have made and to see to it that AmeriCorps does continue to enroll these people. The enrollment for next year, as I understand it, will be at the authorized level of 50,000. I think that is the problem, to make certain that does not happen again.

The PRESIDING OFFICER. The Senator's time has expired.

Mr. STEVENS. Mr. President, I move to table the amendment. I believe the yeas and nays have been ordered; is that correct?

The PRESIDING OFFICER. The yeas and nays have been ordered.

Mr. STEVENS. Mr. President, I ask unanimous consent that it be in order to ask for the yeas and nays at this time on the bill itself.
